

SORTED's way of packing for travel:

Choose your destination (City or Beach) and duration.

- Pack your clothes by outfits, not by pieces.
- A complete outfit = top, bottom or dress, accessories, shoes & bag (veil & Jacket for hijab)
- Select clothes that you can mix and match to maximize you outfit options.

The goal is to travel light and have some space in your suitcase for summer shopping.

| Destination    |
|----------------|
|                |
| Dates          |
|                |
| Number of Days |
|                |
